Dear Parents/Guardians:

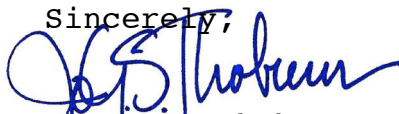

The Student Handbook is prepared as a guide to the important rules and regulations that govern the school. We believe that knowledge of these rules will help students feel more confident about the school and help them realize their own academic goals.

If your child sees these rules as important to you, rules will be important to them also. A few minutes familiarizing yourself with the handbook will not only help your children, but will make you much more effective in supervising their education.

If there is anything I can help you with, please don't hesitate to call me 703-759-5100.

Thank you.

Sincerely,

Jo A. S. Thoburn
Director
